Of Sailors and Whales

1. *Ishmael*

"I go to sea as a simple sailor."

2. *Queequeg*

"It was quite plain that he must be some abominable savage, but Queequeg was a creature in the transitory state - neither caterpillar nor butterfly."

3. *Father Mapple*

"This ended, in prolonged solemn tones, like the continual tolling of a bell in a ship that is foundering at sea in a fog - in such tones he commenced reading the following hymn; but changing his manner towards the concluding stanzas, burst forth with a pealing exultation & joy."

*The ribs and terrors in the whale arched over me a dismal gloom
While all God's sunlit waves rolled by, and lift me lower down to doom.
In black distress I called my God when I could scarce believe Him mine,
He bowed His ear to my complaint, no more the whale did me confine.
My songs forever shall record that terrible, that joyful hour,
I give the glory to my God, His all the mercy and the power.*

4. *Ahab*

"So powerfully did the whole grim aspect of Ahab affect me that for the first few moments I hardly noted the barbaric white leg upon which he partly stood."

5. *The White Whale*

"Moby Dick seemed combinedly possessed by all the angels that fell from heaven.
The birds! - the birds! They mark the spot."

AUCKLAND WIND ORCHESTRA

The Auckland Wind Orchestra (AWO) aims to provide performance opportunities to brass, woodwind and percussion players throughout the Auckland region. The orchestra performs a broad range of musical styles with a special focus on original wind music. Our players come from all walks of life, united by the desire to have fun while making great music. The AWO is conducted by Hamish Arthur – an itinerant music tutor working in several secondary schools throughout Auckland teaching brass and directing Concert Bands and Jazz Bands.
