# AUCKLAND WIND ORCHESTRA

The Auckland Wind Orchestra (AWO) aims to provide performance opportunities to brass, woodwind and percussion players throughout the Auckland region. The orchestra performs a broad range of musical styles with a special focus on original wind music. Our players come from all walks of life, united by the desire to have fun while making great music. The AWO is conducted by Hamish Arthur – an itinerant music tutor working in several secondary schools throughout Auckland teaching brass and directing Concert Bands and Jazz Bands. This afternoon the AWO is proud to present a wide variety of chamber works for wind players performed by ensembles made up of brass and woodwind players from the orchestra. To keep in touch with all AWO activities visit our website: [www.awo.co.nz](http://www.awo.co.nz)
